

IMPORTANT INFORMATION ON BOOKING ENTERTAINMENT (INDOOR AND OURDOOR) - PLEASE READ BEFORE COMPLETING FORM

There are three parts to this form:-

1. Application for Entertainment

This is where you give us your contact details etc and provide an outline of the space required in addition to details of your exhibit/entertainment/performance/ demonstration.

The LECCA (Long Eaton Community Carnival Association) hires the showground at West Park from Erewash Borough Council and is duty bound to adhere to conditions of Hire in its "Guidance Notes" which can be found on the council's web site - www.erewash.gov.uk

2. Declarations about Certificates

This is where you tell us about your insurance and health and safety details.

The LECCA accepts its duty of care for the health, safety and welfare of those contributing, participating, the public in general and children in particular, and in return requires those involved also accept their duty of care.

The main legislative requirements will be the Health and Safety at Work etc Act 1974 and child protection legislation which lay down general duties to ensure the health, safety and welfare of those at work or affected by that work or activity.

3. Risk Assessment

The risk assessment simply helps you to consider all the things that might go wrong, and how to minimise the chance of them happening, and the injury to people (yourselves or the public) if they do. You need to consider risks when building up at the beginning of the event and breaking down afterwards as well as during the event itself.

The risk assessment is very important in cases

- where there is use of hazardous substances or significant structures or equipment;
- where activities, services or products can cause harm by physical failure/contact with equipment, materials, substances;
- where there are any hygiene implications; and
- where there is use of any equipment, vehicles or structures covered by statutory requirements

because all activities involve the public or possible contact with the public.

When you have filled out the form please address it to **LECCA Secretary, 148 Wilmot Street, Sawley, Long Eaton, Nottingham, NG10 3DQ**. Please ensure you affix correct postage stamps for size and weight of envelope.

Details of Entertainment/Performance/Demonstration

Please give a brief description of your business/organisation's entertainment/performance/demonstration etc including time requirement, number of participants (including ages if under 18, for example 9 aged 10 years) and facilities required.

Generators (should be diesel - not petrol) may be used if booking outdoor space provided health and safety legislation, rules and regulations are observed (an appropriate fire extinguisher must be available and all electrical equipment being used should be portable appliance tested and certified before use).

Evidence of current inspection certificates for certain equipment may be requested in addition to licenses/competency certificates for users of specific equipment.

Health and Safety at Work etc Act 1974

It is a condition of entry into any exhibition organised by the LECCA that every exhibitor, participator, contractor, sub-contractor, supplier and their agents comply with the Health and Safety at Work etc Act 1974, and all other legislation, rules and regulations associated with the venue.

The exhibitors/participators accept that it is their legal and moral duty to ensure that their own and others health and safety is not endangered by their action or inaction throughout the build up, event day(s) and break down periods.

The exhibitors/participators must ensure that all those volunteering or employed by them are provided with suitable information, instruction and training to ensure the safety of themselves and others.

We agree to liaise with the LECCA on all matters regarding health and safety prior to and during the event where necessary to ensure the health and safety of all parties who may be affected by our action/inaction.

We recognise that the LECCA reserves the right to issue a suspended action notice for contravention of the health and safety rules of the LECCA and/or relevant statutory provisions and may, given the circumstances, prohibit an exhibit or activity where the agents of the LECCA consider that the health and safety or welfare of personnel or public is at risk.
