Long Eaton Community Carnival –20th June 2020

Stalls (indoor and outdoor) Booking Form

IMPORTANT INFORMATION ON BOOKING STALLS and EXHIBITS PLEASE COMPLETE CAREFULLY

There are three parts to this form:-

1 Application for Stalls

This is where you ask for space in the marquee or on the field, along with the number of tables and chairs you need (only available if ordered on form) in addition to providing details of your exhibit

When giving details of your exhibit you need to be aware that Long Eaton Community Carnival Association (LECCA) hires the showground site from Erewash Borough Council (EBC) and is therefore duty bound to adhere to the council's rules and regulations regarding its use ; amongst those regulations are:

“not to sell or allow to be sold any food or drinks in glass containers nor to give or allow to be given glass bottles as prizes” and “no animals for sale or as prizes”.

Please be aware that the caterer hired by the LECCA has acquired the sole right to sell food and refreshments for consumption on the carnival and show site.

The council also requires organisations hiring its sites to ensure that exhibitors selling food, for example cakes etc, complete the “Food Stall Details” form, So If you plan to retail anything for human consumption, You must complete and return the EBC Food Stall Details Form

Please note this should be sent to LECCA with your application (not direct to EBC)

It is the stall holder's responsibility to ensure that any licensable activities undertaken on the Carnival Field are approved by the relevant authorities.

2 Declarations about Certificates, Health and Safety and Child Protection

This is where you tell us about your insurance and health and safety details.

LECCA accepts its duty of care for the health, safety and welfare of those contributing, participating, the public in general and children in particular. LECCA requires that those involved also accept their duty of care.

The main legislative requirements will be the Health and Safety at Work etc Act 1974 and Child Protection legislation which lay down general duties to ensure the health, safety and welfare of those at work or affected by that work or activity.

3 Risk Assessment

The risk assessment simply helps you to consider all the things that might go wrong, how to minimise the chance of them happening, and reduce the severity of injury to people (yourselves or the public) if they do. You need to consider risks when building up your stall at the beginning of the event and breaking it down afterwards as well as during the event itself.

The risk assessment is very important in cases

- where there is use of hazardous substances or significant structures or equipment;
- where activities, services or products can cause harm by physical failure/contact with equipment, materials, substances;
- where there are any hygiene implications; and
- where there is use of any equipment, vehicles or structures covered by statutory requirements because all activities involve the public or possible contact with the public.

Stalls (indoor and outdoor) Booking Form

Required space, tables and chairs

Spaces are available either inside the Community Marquee (6' x 6') or outdoors on the Showground (5m x 5m). In both cases you are welcome to bring your own table(s) and chairs or for a small fee, order them from us.

Indoor spaces in the Community Marquee

Indoor spaces are sufficient for a single 6' trestle table with sufficient space behind the table for you to stand or sit. If you require more than one table for your stall or exhibit, you should order an equal number of spaces.

The marquee is large and airy and popular with visitors, it offers good protection from the weather and is a good option if you want a minimal setup without the fuss of tents, gazebos and bringing lots of equipment.

You may drop off equipment for your stall at the rear of the marquee during set-up in the morning and for clearing up after 5pm. Free parking is available in the exhibitor parking ground for 1 to 2 vehicles between 11am and 5pm .

Outdoor pitches in the Carnival Showground

Outdoor pitches are 5m x 5m and are sufficient for a 3m gazebo with pegged guy-lines. The entirety of your exhibit must fit within the 5m x 5m pitch; multiple pitches will be allocated adjacent to each other (ie. in a line) unless otherwise requested.

Outdoor pitches offer excellent opportunities to interact with the public as they move around the showground.

These spaces provide parking for 1 to 2 vehicles at the rear of the pitch
